NO SHOW POLICY

Due to large numbers of no shows over the course of the past few years we have concluded that it's not good business. We sometimes can not offer appointments to patients that are in true need because we have appointments already on the schedule and then we have lost that appointment due to a no show. So, to help prevent this in the future as much we have a new no show policy now effective July 1, 2022.

After two no shows YOU will be discharged from our practice.
